Game-by-Game Review .....	94-95
Season Statistics .....	92-93

**CREDENTIALS:** Requests for working press credentials should be made to Steve Barr, Sports Information Director. Requests should be made at least one week in advance. Late requests will be honored if space is available but parking cannot be guaranteed for requests less than one week in advance. Scouts and non-working media will be seated if space is available. Requests are screened with care to insure a working press box. Children, spouses and pets are not allowed in compliance with the working code of the Football Writers Association of America.

**INTERVIEWS:** All interviews with members of the team during the season should be arranged through the sports information office. Please allow 24 hours to set up interviews with players. Arrangements will be made for telephone and in-person interviews at a time that is mutually agreeable to the reporter/broadcaster and the athlete. The best time to call Coach Blackney is between 10 a.m. - 2 p.m., weekdays. Any television crew wishing to tape an interview with Coach Blackney may do so daily just prior to practice. Please make prior arrangements with the sports information office.

**MEDIA DAY:** The annual preseason media day will be held the morning of Wednesday, August 10 at Doyt L. Perry Stadium. The players and coaching staff will be available for photographs and interviews by members of the radio, television and print media.

**PARKING:** A special media parking lot (A, see map on this page) is located adjacent to Doyt L. Perry Stadium, near the southwest corner of the stadium. Access to the media lot is by Alumni Drive which connects Mercer Road (near the Alumni Center) and Wooster Street (near the Information Booth). Admission to the media lot is restricted to people holding special parking passes acquired from the sports information office. All media members are asked to enter the stadium through the pass gate (see map) at the southwest corner of the stadium.

**PRESS GATE:** The press gate (Gate 2) at Doyt L. Perry Stadium is at the southwest corner of the stadium (pass gate on the map), a short walk from the media parking lot.

**PHOTOGRAPHERS:** Photo passes for newspaper photographers, and, under special circumstances, for free-lance photographers are available from the sports information office. Photo passes entitle the photographer access to the sideline, the locker room after the game and the press box.

**POST-GAME COMMUNICATIONS:** There are two telephones in the press box for use after the game. After the sports information staff completes reports to the wire services, television stations, and beeper reports to the radio stations, these phones are available, free of charge, to members of the media for collect calls. One Ricoh Fax 20 will also be available on a first-come, first serve basis with prior notification.

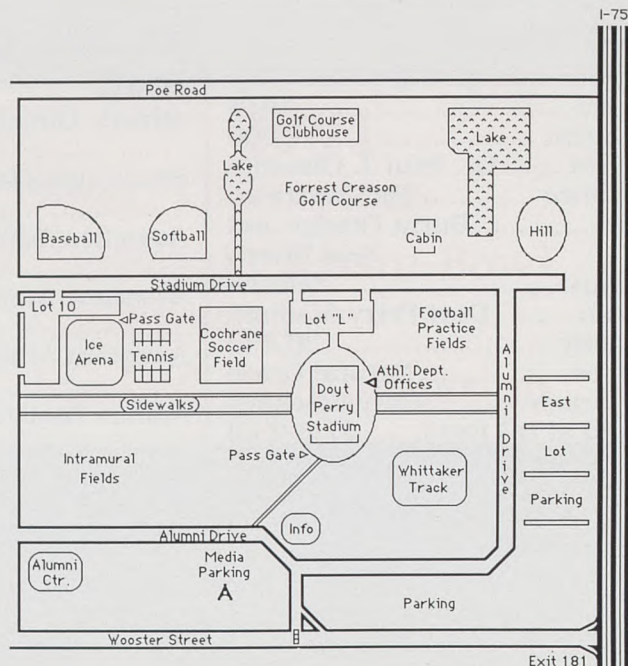

**POST-GAME INTERVIEWS:** The locker rooms are on the east side of the stadium, and can be entered through the tunnels at either the north or south end. Only people with proper credentials will be admitted. Coach Blackney and players as well as the opposition coach and players will be available for post-game interviews in a conference room located between the two locker rooms, following the normal cooling-off period. BGSU observes a closed locker room policy.

**PRESS BOX SERVICES:** Members of the media will be provided with game programs, flip cards, current statistics and last-minute pregame notes prior to the start of the game. Statistical summaries will include play-by-play, halftime stats, complete team and individual stats and tackles. A light snack will also be available.

**PRESS CONFERENCE:** Coach Gary Blackney will hold a regular weekly press conference during the season on Monday at 11:00 a.m. in his office on the east side of the stadium. All members of the media are welcome to attend.

**RADIO:** There are radio booths in the press box at Doyt L. Perry Stadium. Requests for permission to broadcast must be made in writing at least **THREE WEEKS** prior to the game. A rights fee of \$100 will be charged to broadcast. The fee will be waived for the official station of the visitors. There is space in each booth for four persons, but no spouses or children are allowed. Phone lines can be ordered through General Telephone Company (419/668-3785).

**TELEVISION:** There are no regularly reserved booths for television, so anyone wishing to televise a game from Doyt L. Perry Stadium should contact the sports information office at least **ONE MONTH** prior to the game, and preferably before the start of the season.

When it comes to winning games, few have done it better than Bowling Green State University head coach Gary Blackney.

Blackney has resurrected a once-proud football program, guiding the Falcons to back-to-back Mid-American Conference titles, going undefeated in league play to win the titles, and a third-place finish last season in which the Falcons were in the hunt for another title to the last weekend. This comes on the heels of five straight years when 5-6 was the program's best record.

In just three short seasons, Blackney has accomplished what some have not in a lifetime. He was the first, and only, BGSU coach to win a bowl game. He was the first BGSU coach to lead his team to back-to-back seasons of at least 10 wins. He tied the NCAA record for "rookie" head coaches winning 11 games in 1991. And, he led the program to a MAC-record 19 consecutive conference wins and a 22-game unbeaten streak to begin his tenure.

The 1994 season will present some new challenges for Blackney and his staff as they look to add a third title. In order to achieve what they have set out to, they will have to overcome the loss of one of

## The Blackney File

**Full Name:** Gary Richard Blackney

**Age:** 49

**Birthdate/Place:** December 10, 1944/Astoria, New York

**Hometown:** Plainview, New York

the top lineman in the MAC (Joe Wyse), the sixth-leading rusher in school history (Zeb Jackson), and the loss of the entire defensive front. Nonetheless, he believes BGSU will be a factor again. But, overcoming obstacles is something Blackney, as a coach and person, has grown accustomed to.

All Blackney did, in not only his first season at BGSU but his first season as a collegiate head coach, was take a 3-5-2 team and turn them into a 11-1 squad, which won their last 10 games. The Falcons clinched the MAC title with two weeks of the league schedule still remaining, which is believed to be the earliest any team has ever wrapped up the title. The final standings showed BG with a perfect 8-0 mark while the second

place team finished at 3-1-4.

The top first-year coach in the country, Blackney was just the fifth coach in MAC history to lead his team to an outright conference title in his first season. He is also the winningest first-year head coach in BGSU history equalling the NCAA record for most wins by a coach in his first season in the top spot. The 11 wins by the 1991 team tied the school record.

For an encore, with the Falcons no longer an unknown as they were in 1991, the 1992 favorites gladly accepted that role and again won the league title with a perfect record. The Falcons earned the right to represent the MAC in the first Las Vegas Bowl and backed up the program's first bowl victory in 1991 over Fresno State in the

The BGSU football program broke the Mid-American Conference record for consecutive league victories in last year's 17-10 win over Toledo. Head coach Gary Blackney is carried off the field by his players after BG's 17th straight league victory.

California Bowl with a thrilling 35-34 win over Nevada in Las Vegas.

Needless to say, the success that Blackney has brought to the program has also meant some prestigious honors along the way.

He became only the second coach in league history to earn Coach of the Year honors in back-to-back seasons earning the award in 1991 and 1992. He was also named the Coach of the Year in region 3 by his peers, the American Football Coaches Association, the same two seasons. The region included all I-A schools in the states of Ohio, Indiana, Michigan, Illinois and Big Ten member schools Wisconsin, Minnesota and Iowa. The BGSU mentor was also the 1992 Ohio Coach of the Year.

A little less than four years ago, Blackney realized his dream of becoming a collegiate head coach. He certainly paid his dues serving as an assistant the previous 21 years at such programs as Wisconsin, UCLA, Syracuse and, most recently, Ohio State. The list of coaches he served under ranks among the best in the collegiate game - coaches such as Dick MacPherson, Terry Donahue, Earle Bruce, Rick Forzano and John Cooper.

The Plainview, New York native

began his coaching career at his alma mater, Connecticut, in 1968, where he spent two seasons as a graduate assistant on a staff that included, in addition to Forzano, current Notre Dame head coach Lou Holtz, former Cleveland Browns head coach Sam Rutigliano, and Dave Adolph and Dan Sekanovich, both NFL assistant coaches.

That was followed by stops at Brown and Rhode Island, in addition to the aforementioned schools, with all but two of those seasons spent on the defensive side of the ball. In seven of the last 10 years, Blackney has helped a team to a bowl bid.

His success story is certainly one that makes all people feel thankful.

In March, 1986, Gary's wife, Lauretta, suffered a basilar artery aneurysm which has led to her need for 24-hour care.

Forced to take over the duties of running the household, which were previously handled by Lauretta, Blackney made the necessary changes and still keeps up with the demands of being a head

coach and a father.

"I look at Lauretta's situation and know she could call it quits. But she keeps competing to get better and better. If you want to talk about endurance and courage, look at her - not me."

1979 in physical education. Telander  
was a four-year starter for the Minute-  
men at linebacker earning All-Yankee  
Conference honors in 1975 and 1978.  
He was an All-New England selection  
in 1978.

Bowling Green's success on the field depends, in part, on how hard the Falcons work away from the field during the off-season. So, during the winter, spring and summer, the BGSU Athletic Fitness Center has become a second "home" for members of the Falcon football team.

The 5,800-square foot facility is located on the west side of Doyt L. Perry Stadium. Since its opening in 1988, the fitness center has helped the Falcons reach their potential for strength and conditioning.

The facility offers everything from free weights to nautilus equipment. Office space, restrooms and lockers are also available.

The Bowling Green State University football program has enjoyed a great deal of success over the last three seasons under the guidance of head coach Gary Blackney. And with 13 starters returning in 1994, most of those at the skilled positions, Blackney feels there is no reason why the Falcons won't be a factor in the Mid-American Conference race for the league title and berth in the Las Vegas Bowl.

"The strength of our football team this season should be the return of most of our players at the skilled positions on both sides of the ball," said Blackney, whose teams have compiled a sparkling 27-6-2 overall record in his first three seasons. "Basically, if we can replace three players, all interior linemen, on both sides of the ball, we have a real good chance to have a good football team."

Approaching the 1993 season, BG was in a situation where it had lost most of its players at the skilled positions, but had most of the linemen returning. At that point, Blackney did not believe they were in that bad of a position.

Now that the tables are turned, it is time for the program to fall back on its recruits from the last few years to fill in the holes.

"I don't really think it is a major concern to me or the staff that we have some holes to fill on both lines," Blackney said. "I think we have some good, young players in

**Courtney Davis is the top returning running back for the Falcons.**

the program who have been recruited over the last three seasons. I think those players are ready to step up and take over in the spots we need to fill."

The Falcon offensive unit, which has ranked third or higher in the MAC in total offense each of the last three seasons, is rock solid in every area except on the line.

And, as Blackney said, the situation on the offensive line is not one that is a major concern. The loss of starters Joe Wyse and Matt Foley took away two experienced linemen, but four linemen who

have all started games at some point in their careers return.

"Losing linemen the caliber of Joe Wyse and Matt Foley, both first team all-league performers, will hurt us. But on the plus side, we have four players with a lot of experience returning," Blackney said. "We still have a good nucleus along the interior line."

"One of the areas where we do not have a real experienced player waiting is at tight end where we lose Brad Long. We're looking for Trevor Stover to step in there, but he has just one year under his belt at the tight end spot."

The remainder of the offensive unit returns including the pass-and-catch combinations of quarterback Ryan Henry and receivers Rameir Martin and Ronnie Redd.

That trio connected 86 times last season for over 1,400 yards and 12 touchdowns.

The backfield, despite the loss of tailback Zeb Jackson, who led the league in rushing, is as deep and talented as it has ever been.

The fullback spot will be shared by Darius Card and Dwaylon Alexander while any number of tailbacks are looking to earn the starting nod.

"We're very excited about the people we have returning at the skilled positions on offense," Blackney said. "But, even though we have a good nucleus of players returning, all those players are going to have to take their play to the next highest level. If they do that, potentially, we can be as explosive on offense as we have ever been."

As they say, championships are won with defense and the Falcons have had one of the stronger units in the country in each of Blackney's three seasons.

Last year's group ranked seventh in the country in total defense, 12th in scoring defense and 13th in rushing defense. BG was ninth in scoring defense in 1991. During Blackney's tenure, BG has held MAC foes to two touchdowns or less in 17 of 24 games.

For the 1994 unit to live up to the play of its predecessors, the voids left by end Bob Dudley and nose guard Clint Frazier must be filled. The defense also loses out-

**Willie Gibson (59) and Jason Woullard (49) return as the Falcons will feature a strong linebacking corp. Gibson was a reserve last season and will be starting for the first time while Woullard started last season and has earned a letter in each of first two seasons in the program.**

side linebacker Lee Boyer and cornerback/safety Darnell Staten. But at both of those positions there are experienced players waiting for their chance to play.

"On defense the big void is the hole left by the graduation of Bob Dudley and Clint Frazier," Blackney said. "Hopefully we have recruited well enough the last three years, and a couple of kids will step up and meet that challenge."

Senior Curtis Collins, who has played in quite a few games in a reserve role, is one of the players Blackney and his staff think will step forward.

"In the past, our seniors have always risen to the occasion, always responded to challenge of playing their best football in their final season," Blackney said. "If Curtis Collins can meet that challenge, then we are already one step toward filling the holes on defense."

The rest of the unit is solid led by the return of MAC Defensive Player of the Year Vince Palko at inside linebacker and all-league safety Steve Rodriguez.

Senior Charlie Williams is also expected to again play in the secondary as the fifth or sixth player. As a back-up wide receiver, the coaching staff feels they have to find a place for him to play.

"It seems like every time Charlie is on the field, something good happens for us," Blackney said. "It doesn't make much sense to have him on the bench."

#### - Offense -

BG has been one of the top passing teams in the MAC the last three seasons, and that is not likely to change with the return of the Henry, Redd and Martin. But, the Falcons may move closer to that balance of passing and running that every coach is looking for.

The return of five letterwinners at the two running back spots will help ease problem of losing Zackson, who rushed for 952 yards last season.

Courtney Davis started one game last season as a "true" freshman and was second on the team in rushing. His performances, especially in the Navy and Ball State contests, gave Falcon fans a glimpse of what fans can expect

**Charlie Williams will contribute as a member of the offense, defense and special teams.**

this season, only more often.

But, he will have to beat out another "true" freshman who lettered last season, Michael Parker, and sophomores Bill DiOrio and Keylan Cates.

At the fullback slot, Card and Alexander may give the Falcons the best tandem of players at the position in the MAC. Each player has his strengths and they compliment each other - Alexander the more tradition tough-nosed runner you think of at the position while Card was second on team in

receiving last season, a valuable commodity at that position.

Junior Ryan Henry returns to call the signals after throwing for 2,243 yards last season and 14 touchdowns. He was third in the MAC in total offense and fifth in passing efficiency.

He will get a battle for the starting spot from sophomores Derek Kidwell, a former Mr. Football in Ohio, and Mark Dunaway.

Henry's favorite targets, Martin and Redd, are possibly the best tandem of receivers in the league. Martin was a first team all-league selection with 56 receptions averaging 15.6 yards per catch. He had at least three receptions in every game last season. Redd is the "big-play" receiver with one of every five of his receptions going the distance. Like Martin, he has also been consistent having caught a pass in 34 straight games, three shy of the school record.

Redd needs just five touchdown receptions to set the career school record.

They will be backed up by Williams and Duan'te Anderson.

Despite some slight concerns, the line should be able to open holes for the stable of running backs and protect Henry.

The right side will be led by the return of starters Jason Peters, at tackle, and Norman Hammoud. The duo started eight games last season and at 295 pounds each,

**Norman Hammoud is one of four players along the offensive line who have starting experience. He will team with tackle Jason Peters giving the Falcons a pair of fifth-year seniors on the right side.**

give the Falcons size and a physical presence.

Cal Bowers is likely to move back to center after starting seven games at the guard spots last season. Bowers was the starting center on the 1992 league championship team.

The left side will be manned by junior Chad Bukey, who started eight games last season at the two tackle spots, and senior Bob Johnson. Johnson is a senior much in the same situation at Collins, in that he has played in a reserve role to this point in his career, now the coaching staff is expecting him to make the move to being a starter.

Stover is the leading candidate to take over at tight end.

## - Defense -

The strength of the defense will be at the linebacking spots and in the secondary where just about every position will have a starter or veteran playing.

Leading the linebacking corp and anchoring the whole defense is senior inside linebacker Vince Palko. Palko was the Defensive Player of the Year in the MAC last year leading the team with 141 tackles while leading the league with 19 tackles for loss. A four-year starter, Palko needs just 98 tackles to become the BGSU career leader.

Junior Jason Woullard started all 11 games last season beside Palko on the inside and should be that much better this season with a year under his belt. He was second on the team with 90 stops last season.

The outside linebacking positions will be held down by two seniors, Chache Leal and Willie Gibson. Leal started all but one game last season recording 52 tackles and five sacks. Gibson saw most of his playing time in a reserve role behind starter Lee Boyer. He did start a game at tackle late in the season to help increase the pass rush, but he will move back outside for the 1994 season.

Whatever the final configuration is, the secondary should be as good as any in the league

Senior George Johnson, who made a successful switch from tailback to cornerback last season, will do nothing but get better

**Four-year starter Ronnie Redd has caught a pass in every game except the first contest of his freshman season.**

through the spring and fall as he plays the position more. Johnson is one of the fastest players on the team and led the squad with three interceptions last year. Junior Steve Ayers, who had four starts last season and 32 tackles, and sophomore Tony Everhart will battle to start on the other side.

Rodriguez returns at free safety after finishing third on the team with 81 stops last season earning second team all-league honors. Williams is slated to start at the strong safety spot. Senior Shane

Foster, who started seven games last season, and sophomore Steve Hartley should also vie for playing time.

The shortcomings on the line would become even less with the emergence of Collins, as talked about previously.

Jason Dolliver, another of those fifth-year seniors who need to step forward this season, has the most experience of the returning tackles. Junior Greg Cepek and sophomore Chris Holbrook could also earn some playing time on the line.

## - Special Teams -

"This is an area of concern," Blackney said. "If we are going to have a legitimate shot at the championship, the kicking game is an area that needs to improve dramatically."

Senior Brian Leaver had an off-year last season after a sophomore season in which he nailed eight-of-nine field goals and converted all but two extra points. Last year, Leaver hit 10-of-17 field goals and all 17 PAT's. Four of his misses last season were from inside the 30-yard line. Junior Derek Schorejs will continue to back-up Leaver while also kicking off.

Junior Andy Tracy, in his first full season of punting, also struggled averaging 36.1 yards per kick, eighth in the MAC. BG was ninth in the league in net punting.

**Ryan Henry started all 11 games last season, his first as the starter, passing for 2,243 yards and 14 touchdowns. He completed 50% or better of his passes in seven games and had six efforts of over 200 yards. The Falcon signal-caller was third in the MAC in total offense in 1993.**

The Bowling Green State University athletic medicine division and curriculum, said to be one of the finest in the mid-west, affords every Falcon athlete the best available care and treatment of injuries.

The athletic medicine division program offers the best possible prevention, evaluation, immediate treatment and rehabilitation of injuries.

Head athletic trainer Bill Jones, assistant Mike Messaros and team physicians Dr. Richard Barker and Dr. Jeffrey LaPorte oversee the athletic medicine program for football and all other 18 intercollegiate sports at Bowling Green.

The athletic medicine staff are in attendance at every athletic event which involves Bowling Green State University athletes. Prevention, evaluation, treatment and rehabilitation are the main objectives of the athletic medicine division and when an injury occurs, the staff provides on-the-spot treatment to make certain the injury does not become more serious.

Assistant trainer Annette Davidson and a staff of 22 to 25 student trainers make up the remainder of the athletic medicine staff who care for the total intercollegiate athletic program as well as manage all seven athletic training rooms.

For those who have had a chance to attend either of the first two Las Vegas Bowls, they found it to be one of the best places in the country to hold such a game. And this year should be no different.

The 14th annual post-season football battle between the Mid-American Conference and Big West Conference champions is scheduled for Thursday, Dec. 15, at 9 p.m. (EST) in the city they call the "Entertainment Capital of the World."

The Las Vegas Bowl, which will be held in UNLV's 32,000-seat Sam Boyd Stadium, will again be televised to a national television audience by ESPN.

The first two bowl games in Las Vegas have provided those in attendance and watching at home with excitement, not to mention a lot of points.

The 1992 game produced one of the most dramatic college football games of the year, as Bowling Green fought off a late Nevada rally to win the contest, 35-34.

On fourth-and-goal, Bowling Green quarterback Erik White threw a three-yard touchdown pass to split end Dave Hankins with 22 seconds remaining to lift the Falcons to the victory.

BGSU jumped out to a 28-3 halftime lead, but Nevada stormed back to take a 34-28 lead with 7:13 remaining behind the play of quarterback Chris Vargas, the MVP of the game.

Last season, Utah State built a 21-0 lead at halftime and held a 35-17 edge heading into the final 15 minutes. But, MAC champion Ball State scored 16 fourth-quarter points. A fourth quarter interception return by Utah State clinched a 42-33 win for the Aggies, who had a 491-314 edge in total offense.

Both games were preceded by various Las Vegas Bowl activities, including a reception, luncheon, pep rally and tailgate party. There were also sightseeing tours, Las Vegas shows and several other special events, in addition to the other attractions the "City of Lights" offers.

The Las Vegas Bowl has become a source of pride

for the state and community leaders, which accounts for the success the bowl has experienced.

The driving force behind the bowl's emergence was Las Vegas Events, the presenter of the bowl, and the Las Vegas Convention and Visitor's Authority, the sponsor of the bowl.

Both entities have continued their support of the bowl the last three years, but beginning in April, 1994, DelWilber and Associates, a national sports marketing company, assumed the day-to-day management of the bowl along with both conferences.

The Las Vegas Bowl and the Rose Bowl are the only post-season bowls that annually pit the champions of two Division I-A collegiate athletic conferences against one another.

The Riviera Hotel will once again serve as the headquarters of the Mid-American Conference and will be the site of several bowl-related events, including the kickoff luncheon, the pep rally and the post-game party.

The Riviera is extending special discounts to MAC fans, including a comprehensive package that includes lodging, dining and entertainment opportunities.

The first 11 meetings between the MAC and Big West came in the California Bowl in Fresno, Calif. The MAC has a 5-8 record against Big West opponents in the previous 13 bowl games.

The Mid-American Conference is one of 10 Division I-A conferences in the country, along with the Atlantic Coast, Big Ten, Big East, Big Eight, Big West, Pacific-10, Southeastern, Southwest and Western Athletic conferences.

Entering its 48th year of existence, the MAC consists of 10 state-supported institutions in the Mid-western states of Ohio, Michigan and Indiana. Of the 10 current members - The University of Akron, Ball State University, Bowling Green State University, Central Michigan University, Eastern Michigan University, Kent State University, Miami University, Ohio University, The University of Toledo and Western Michigan University - nine schools have been members for 15 or more years. Akron joined the league in 1992.

The MAC was founded as a five-school conference in 1946 with Ohio, Butler, Cincinnati, Wayne State and Western Reserve the charter members. The current membership evolved over the 47-year history of the conference with Miami and Western Michigan joining shortly after the MAC was founded; Toledo, Kent and Bowling Green becoming members in the early 1950's; and Central Michigan, Eastern Michigan and Ball State joining in the early 1970's.

The MAC currently sponsors 19 championships, 10 in men's sports and nine in women's sports.

The MAC is the only Division I-A conference with its own Hall of Fame. A total of 52 individuals have been inducted into the MAC Hall of Fame since the first induction class in 1988 with 21 of those individuals with football backgrounds: coaches such as Ara Parseghian (Miami), Doyt Perry (Bowling Green), Bo Schembechler (Miami), John Pont (Miami) and Bill Hess (Ohio); and players such as Jack Lambert (Kent), Phil Villapiano (Bowling Green), Ron Johnson (Eastern Michigan) and Shafer Suggs (Ball State).

Numerous MAC football teams and players have received national recognition. Bowling Green was recognized as the national small college champion in 1959, and Ohio earned similar honors the following season. Toledo compiled a 35-game winning streak between 1969 and 1971, the second-longest streak in modern college football history. Additionally, Miami won three consecutive Tangerine Bowls in the mid-70's beating Florida (1973), Georgia (1974), and South Carolina (1975).

## Alma Mater

Alma Mater hear us,  
As we praise thy name  
Make us worthy sons and daughters  
Adding to thy fame.

Time will treat you kindly  
Years from now you'll be  
Ever dearer in our hearts,  
Our University.

From your halls of ivy  
To the campus scene,  
Chimes ring out with gladness  
From our dear Bowling Green.

When all is just a mem'ry  
Of the by-gone days,  
Hear our hymn dear Alma Mater  
As thy name we praise.

## Fight Song

Forward Falcons, Forward Falcons  
Fight for victory,  
Show your spirit, make them fear it  
Fight for 'ol Bee Gee.

Forward Falcons, Forward Falcons  
Make the contest keen,  
Shout out the fame of our mighty name  
And win for Bowling Green!

## Ay Ziggy Zoomba

Ay Ziggy Zoomba Zoomba Zoomba  
Ay Ziggy Zoomba Zoomba Ze  
Ay Ziggy Zoomba Zoomba Zoomba  
Ay Ziggy Zoomba Zoomba Zi

Roll along you BG warriors  
Roll along and win for BGSU

Ay Ziggy Zoomba is Bowling Green's unofficial fight song (the official fight song is "Forward Falcons"). No one knows who wrote "Ay Ziggy Zoomba," but it became famous nationally when former Falcon All-American and Detroit Lion All-Pro halfback Mike Weger sang it in the film "Paper Lion." The Falcon football team traditionally sings "Ay Ziggy Zoomba" after each victory.

## Retired Jersey

The only football jersey ever retired at Bowling Green is #29. It was worn by Paul Miles from 1971-73. Miles rushed for 3,239 yards and 25 touchdowns in his career and was a three-time first team All-MAC selection. He was just the third back in NCAA history to rush for 1,000 or more yards in three consecutive seasons.

## Why Orange and Brown

Burnt orange and seal brown have been the school colors at Bowling Green State University since 1914, the first year of classes. Legend has it that Leon Winslow, an industrial arts faculty member, got the idea from watching a women's hat on a bus to nearby Toledo, Ohio. He liked the brown and orange color combination. So, too, did former Cleveland Browns' head coach Paul Brown. Following a trip to BGSU in the 1940s, Brown used the colors for his All-America Conference team.

## Frieda & Freddie Falcon

Frieda and Freddie Falcon are the official mascots of the Bowling Green Falcons. Together with the BGSU cheerleaders, Frieda and Freddie boost spirit at intercollegiate athletic events. Tryouts are held each spring, and winners remain anonymous to the student body until each is "beheaded" at the last home basketball and hockey game. The Freddie Falcon tradition began in 1950 while Frieda Falcon was added for the 1979-80 athletic year.

## Why The Falcons?

The 1994-95 athletic season marks the 67th anniversary of Bowling Green's nickname, Falcons. Before 1927, BG teams were called the Normals or Teachers. Ivan Lake '23 suggested the nickname, Falcons, after reading an article on falconry. Lake, managing editor and sports editor of the Sentinel Tribune in Bowling Green at the time, proposed the name change because it fit headline space and because falcons were "the most powerful bird for their size and often attacked birds two or three times their size."

The Peace Pipe Award is held by (l-r) co-captain Zeb Jackson ('93), former Athletic Director Jack Gregory, head coach Gary Blackney, President Paul Olscamp, and co-captain Vince Palko.

## Peace Pipe Award

The Peace Pipe is a traveling award that goes to the winner of the annual gridiron battle between Bowling Green and Toledo. The Peace Pipe tradition actually began on the basketball court during the 1947-48 season. At that time, the teams exchanged a six-foot long wooden peace pipe. The original basketball Peace Pipe disappeared, so, in 1980, the Peace Pipe was reinstated for football. Today's Peace Pipe is a smaller version of the original pipe, resting atop a trophy that displays the score of each football meeting since 1980. BGSU won last year's contest and will take a 32-22-4 series edge into the Oct. 15 game this season.

The Anniversary Award is held by (l-r) head coach Gary Blackney, co-captain Zeb Jackson ('93), co-captain Vince Palko, and former Athletic Director Jack Gregory.

## Anniversary Award

The Anniversary Award is a traveling award that goes to the winner of the football game between Bowling Green and Kent. Established in 1985 by the respective alumni departments at BGSU and Kent, the Anniversary Award commemorates the founding of BGSU and Kent in the year 1910. BGSU won last year's contest and leads the all-time series with its "sister school," 43-13-6. BGSU and Kent square-off on Nov. 5 this season. Kent, which has been BG's opponent in more football games than any other opponent, 62 contests, has won the award only once (1988) in the last eight years.

The year 1988 will be fondly remembered by many who are associated with the football program at BGSU as former player, coach and administrator, Doyt L. Perry, was recognized by the National Football Foundation with its top honor, induction into the College Football Hall of Fame.

Perry traveled to New York in December, 1988, for the Foundation's Hall of Fame dinner and was officially enshrined into the College Football Hall of Fame in June, 1989 in ceremonies held at Kings Island, Ohio.

Perry's association with BGSU dates back to the 1920s when he lettered nine time in three sports (football, basketball, baseball). The Croton, Ohio native received his degree in 1932. He began coaching on the high school level before becoming an assistant at Ohio State in 1951.

Perry returned to his alma mater in 1955 leading the football program to a 77-11-5 (.855) record over the next 11 years. His teams won five Mid-American Conference titles and one national college division championship in 1959.

Perry, who retired from coaching in 1964 to become BGSU's athletic director, developed such outstanding coaches as Bill Mallory, Don Nehlen, Larry Smith, and the late Dave McClain. Many more of Perry's former assistants and players have gone on to enjoy success in the coaching profession.

Perry passed away in Feb., 1992. At his memorial service former Michigan coach Bo Schembechler said, "I don't believe I can name a coach, anywhere, anytime, anyhow, who did it better than Doyt Perry."

In a one-time game to help defray the expenses (burial and medical) of families of the 16 members of the Cal Poly San Luis Obispo football team who perished in a plane crash, Oct. 29, 1960, shortly after takeoff from Toledo Express Airport, Bowling Green and Fresno State, the undefeated champion of the California Collegiate Athletic Association, met at the historic Los Angeles Memorial Coliseum.

Playing before its largest crowd in school history, the Falcons, six-point favorites, were guilty, uncharacteristically, of six turnovers, which was the difference in the game.

BG's defense, which was ranked fourth in the nation, yielded 468 yards, 196 more than it had given up to any opponent during the season.

Quarterbacks Beau Carter and Jon Anabo were a thorn in BG's side all day passing for 368 yards and two touchdowns. Carter ran for two scores, also.

BG scored its only points early in the second stanza on the two-yard run by Ray Bell which was set up on a long pass play between Larry Smith and quarterback Jim Potts.

BG fumbled on its next two possessions with FSU turning the second miscue into a touchdown on a long pass play. Bowling Green did have a pass dropped in the end zone as the first half ended which would have given them the lead.

Fresno State then scored 1:44 apart midway through the third period to put the game away, the second score set up by a fumbled snap on an attempted punt.

The contest netted \$170,000 for the memorial fund which aided the survivors and the relatives of the victims of the plane crash. Cal Poly SLO had played at Bowling Green in the afternoon before the crash.

After a full week of events leading up to the meeting with the Pacific Coast Athletic Association champion Fresno State, the Falcons entered the game against Bulldogs a two touchdown underdog.

The Falcons also had to contend with a partisan sea of red squeezed into Bulldog Stadium, the home of Fresno State.

But, the Falcons drew first blood converting a Jac Tomasello interception on the final play of the first quarter into the first touchdown of the game, a Chip Otten four-yard run capping a 48-yard drive. The Falcons took a 14-0 lead to the locker room after driving 73 yards on their next possession. Sophomore quarterback Brian McClure connected with John Meek on the scoring play.

BG looked to be in the drivers seat after McClure connected with Shawn Potts from five yards out in the third stanza. But, Fresno State answered BG's score with their first of the contest later in the quarter.

Bowling Green came right back as Potts picked up a fumble by receiver Greg Taylor at the five-yard line and ran it in to put the Falcons back up by three touchdowns.

With Fresno State pinned back on its own 20-yard line and facing a third-and-ten, a Falcon stop might put the final nail in the Fresno State coffin. But, FSU gained 15 yards on the third down play and the comeback was on.

With future NFL receiver Stephone Paige running and catching a pass for a touchdown, FSU closed to within six points with three minutes left. BG used up just 1:05 of the clock on its next possession and FSU moved 45 yards in eight plays with Jeff Tedford finding Vince Wesson over the middle with 18 seconds left. Scott Darrow's PAT was the deciding point.

BG gained just 26 yards on nine plays in the fourth quarter while FSU gained 220 of its 453 yards in the final 15 minutes.

The tone for what was expected to be one of the most evenly-matched California Bowls, came earlier in the week when BGSU head coach Denny Stolz told the team before their Wednesday practice he would be leaving after the bowl game to accept the head coaching job at San Diego State.

An indication of what was ahead for the Falcons in the game came early in the first quarter when, trailing 7-0, they drove to the Bulldog one-yard line when they fumbled, the first of five on the day the same number they had committed in the first 11 games of the season, the ball away in the end zone. Fresno State would score the next 37 points before BG would hit paydirt.

Wide receiver Mark Szlachcic (#84) had 11 receptions, two for touchdowns, for a school-record 189 yards in the 1991 California Bowl.

Not even being a double digit underdog against Fresno State could not keep the Falcons from completing its story-book season under first-year head coach Gary Blackney.

And the script for this game was all Hollywood.

The first quarter would have led the fans to believe it might take 40 or 50 points to win the game as the Falcons scored touchdowns on their first two possessions and the Bulldogs would get one of those back before the quarter was over.

The scoring continued early in the second stanza as BG's Erik White and Mark Szlachcic hook up for a second time. But, FSU comes right back on their next possession with Anthony Daigle running 57 yards to cut the deficit in half going to the locker room.

The defenses took over in the third quarter, each allowing just 65 yards total offense. Late in the quarter, FSU place-kicker Derek Mahoney missed a 26-yard field goal, the most significant scoring opportunity of the quarter.

BG scored early in the final stanza moving 80 yards after the missed field goal to build another 14-point lead.

FSU came right back on its next possession to score driving 71 yards as quarterback Mark Barsotti completed five-of-six passes connecting with tight end Marty Thompson from five yards out.

After three changes of possession, FSU starts the final drive of the game from their one-yard line, after an interception, with 2:29 remaining.

FSU used its last time out with 24 seconds left and the Bulldogs just nine yards away from the needed touchdown. After a running play for six yards and two incomplete passes, the final play of the game would determine the outcome with three seconds left.

The BG defense rose to the occasion covering all Bulldog receivers and Barsotti threw incomplete with BG linebacker Kevin O'Brien pressuring and the Falcons earn their first bowl victory.

BG wins its 11th game making Blackney one of only three coaches in NCAA history to win 11 games in their first season as a head coach.

In the first season of the Las Vegas Bowl after moving from Fresno, the Falcons faced the high-powered offense of the University of Nevada.

In a game in which the punting game took center stage, the Falcons won the first half and Nevada the second half, but a late BG touchdown proved to be the difference.

The Falcons scored on their first four possessions to grab a 28-3 halftime lead. BG had 267 first-half yards compared to just 116 for the Wolfpack as they had an 18-6 edge in first downs.

In the second half, it was Nevada quarterback Chris Vargas' turn. He had engineered six Nevada comeback victories in three years coming off the bench, including an NCAA-record 35-point comeback against Weber State.

Nevada scored three touchdowns in the third quarter with punts of five and seven yards by BG setting up the first two scores. The Wolfpack's third score was set up by a high snap from center on a BG punt.

Nevada finally took the lead with 12:41 left in the game and looked to possibly put the game away with a field goal with 7:13 left, ending their run of 31 unanswered points.

Bowling Green moved to the Nevada six-yard line with the next possession before turning the ball over on downs. After holding the Wolfpack to one first down, Nevada punter Steve Lester had the center snap go through his hands setting up the Falcons at the Wolfpack 15-yard line with 1:45 remaining.

A 12-yard Erik White to Mark Szlachcic connection on first down put the Falcon on the three-yard line. After two runs and a pass did not net any yardage, White found Dave Hankins alone in the back of the end zone on fourth down with 22 seconds left. Placekicker Brian Leaver made the PAT for the winning points and BG's second consecutive bowl win.

Zeb Jackson rushed for 89 yards on 13 carries, and two touchdowns, in the first half of the 1992 Las Vegas Bowl as the Falcons built a 28-3 edge over Nevada.

**A Mid-American Conference record crowd of 33,527 attended the Toledo-Bowling Green game in 1983.**

Doyt L. Perry Stadium, with its 30,599 seating capacity, is celebrating its 29th year as the home of Bowling Green State University football.

Built in 1966 for approximately \$3 million as a replacement for the 43-year-old University Stadium, Perry Stadium had a capacity of 23,272 until bleacher seats were installed in both end zones in 1982.

One of the largest and most attractive athletic facilities in the Mid-American Conference, Perry Stadium holds the conference record for single-game attendance.

On October 8, 1983, a huge crowd of 33,527 packed into Perry Stadium for the annual Northwest Ohio rivalry between Bowling Green and Toledo, establishing a school and MAC record for single-game attendance. The Falcons went on to set a season record, breaking the six-digit figure for five games with a total draw of 100,021. It marked the first time in history that Bowling Green averaged more than 20,000 fans for five home football games.

That figure was topped in 1985, when Bowling Green posted a perfect record (11-0) in the regular season and clinched the MAC Championship by shutting out Toledo at Perry Stadium in November. More than 28,000 fans turned out that day, raising Bowling Green's season attendance to an all-time high 112,110, an average of 22,422.

The Falcons begin the 1994 season looking to extend a 15-game unbeaten

streak at home as head coach Gary Blackney has never lost a game during his three-year tenure with his teams compiling a 14-0-1 record.

Perry Stadium is more than just a football facility. The east side of the stadium includes dressing rooms,

equipment and training rooms, along with the Athletic Department offices. The west side received a face-lift six years ago. A physical fitness center/weight room opened its doors to all 19 intercollegiate athletic teams in the summer of 1988.

**The football facility at BGSU was formally dedicated as Doyt L. Perry Stadium on Sept. 26, 1992. Present for the ceremony was (left to right) Perry's children D.L., Judy Perry McClain, David and Doyt's wife, Loretta. They are joined by John Mahaney, president of the Board of Trustees, University President Paul J. Olscamp and Athletic Director Jack Gregory.**

Also situated on the west side of Perry Field are the Falcon Club offices and clubhouse, the academic counselor's office, the track and cross country offices, as well as maintenance and storage areas.

Sitting atop the press box on the west side of the stadium is the plush Stadium Club. Now in its 15th year of operation, the Stadium Club's 106 theatre-type seats, which are all sold, provide loyal BGSU fans with a fine view of the game. The President's Box, located at the top of the east side of the stadium, provides luxury seating for President Paul J. Olscamp, his guests, and other supporters of Falcon football.

Bowling Green won the first game ever played in Perry Stadium, defeating Dayton, 13-0, on October 1, 1966. Since that time, the Falcons have won over 67 percent of their home games, compiling

an 90-42-6 record in the 138 games played at Perry Stadium. Over the last 12 seasons Bowling Green is 46-9-4 at home for a .814 winning percentage.

Perry Stadium is named in honor of the man who led Bowling Green to a 77-11-5 record in his 10 years as the head coach of the Falcons. Doyt L. Perry was simply one of the greatest football coaches of his day. His .855 winning percentage over 10 seasons in the 1950s and 1960s remains one of the highest in football history. In fact, Perry is fourth all-time behind Bob Reade (Augustana), Knute Rockne (Notre Dame) and Frank Leahy (Notre Dame) in winning percentage among coaches with at least 10 years of service on the collegiate level. Perry served as the BGSU athletic director for seven years after stepping down as football coach.

As Dr. Paul J. Olscamp begins his 13th and final year as president of Bowling Green State University this fall, those who are already beginning to review his tenure are finding a president who has charted an unaltered course in the development of a consistently strong faculty and academic program.

(Olscamp, the University's eighth president, will retire June 30, 1995. At that time, only Homer B. Williams, the University's first president who served from 1912 until 1937, will have spent more time in the University's top office.)

Under Olscamp's direction, Bowling Green has moved into the ranks of the country's most important colleges and universities. His efforts have focused equally on teaching, research, and service, and he has led a University-wide commitment to excellence in all aspects of University life.

He adopted the slogan "An Environment for Excellence," a clear indication of the vision he had for Bowling Green.

Early in his administration, Olscamp and the faculty outlined the task ahead in a 27-goal document called the Role and Mission Statement. Most of the goals centered on improving the quality of incoming undergraduate and graduate students; academic programs; learning resources, particularly computing and the library; and the faculty development, including recruitment of minority faculty.

Today, many of those original goals have been met and new priorities have been established, including additional scholarships for academically gifted students, strengthening the graduate program, creating international education opportunities for students, and further enhancement of the University's endowment.

One of his most important accomplishments has been to fully involve the faculty in University governance. Faculty have a key role in developing the annual budget and share authority with the president in interpreting the University's Academic Charter. The faculty also have greater control over the curriculum and development of new academic programs.

While always a concern, finances have taken center stage in recent years. With a tightening state budget, Olscamp has directed efforts to increase private giving. In 1993-94, private giving topped \$4 million for the third straight year. During his tenure, the school's endowment has increased to nearly \$45 million from \$1.9 million when he arrived.

Olscamp brings a personal touch to his presidency. He frequently hosts both students and faculty at his home. He also holds periodic forums with students wanting to discuss campus issues.

A great deal has happened at Bowling Green since 1982. Here are some of the highlights:

## Academic Programs

- \* Creation of Bowling Green's first en-

**Paul J. Olscamp**

dowed professorships, in management, finance, chemistry and philosophy.

- \* Development of the Center for Photochemical Sciences, the only one of its kind in the country. Photochemistry is a multibillion dollar growth industry and some key research for that industry is being conducted at Bowling Green.

- \* Development of the Center for Quality, Measurement and Automation, the only center of its kind in the state designed to assist manufacturing and other businesses in the design and production of products.

- \* The appointments of three Ohio Eminent Scholars in photochemical sciences, moral philosophy and industrial/organizational psychology; the positions are the result of three \$500,000 grants from the Ohio Board of Regents.

- \* The addition of doctoral programs in applied philosophy and photochemical sciences; the 13th and 14th Ph.D. offerings at BGSU.

- \* More than 315 students are National Merit Scholars, one of the highest numbers on any campus in the country, over the last seven years.

- \* Establishment of the University's first major scholarships for minority students.

- \* Creating a Canadian studies program emphasizing Canada-U.S. trade relations and economic development in the northwest Ohio region.

- \* Securing more than \$5 million from the Board of Regent's Selective Excellence Programs, which are designed to attract top scholars, conduct pioneering research and develop centers of excellence. Grants have been awarded in both the sciences and the humanities.

- \* Expansion of the library's holdings

to more than four million items, including 1.8 million books, plus journals, periodicals, microforms, government documents and other materials. Also, the library is among the first to be part of OhioLINK, an advanced computer network that enables users to have access to all holdings of state university, community college and selected private libraries in Ohio.

- \* Development of the Student Telephone Accessed Registration system which enables students to schedule their classes from a touchtone telephone. The STAR system has made long registration lines a part of University history.

## Physical Plant

- \* More than \$174 million has been spent in the past 12 years for the construction of new buildings and upgrading existing buildings.

- \* Completion of the \$7.2 million Physical Sciences Laboratory Building in 1984, a \$3.65 million addition to the Business Administration Building in 1988, a \$9.8 million Fine Arts Center and an \$8.7 million field house.

- \* Most recently, the opening of Paul Olscamp Hall, a \$13.5 million multifaceted classroom building featuring a high-tech teleconferencing system.

- \* Major renovation and refurbishing of existing campus buildings including Williams, Overman, Hayes and Shatzel halls, the Eppler complex and Founders Residence Hall. Construction of a \$2 million office building to house faculty and staff temporarily displaced by renovation projects and later to be used for permanent offices.

## University Finances

- \* Creation of an internal endowment fund of \$4 million from various University reserves. The balance is expected to reach \$10 million in 1994. Interest on the \$10 million principle will be used to supplement the academic budget.

- \* Development of a plan to restructure debt service obligations which is projected to result in a \$32 million principle in 10 years. Interest on that amount, which could exceed \$2 million annually, will go toward the academic budget.

- \* Completion of the most successful fund raising drive in University history. With the assistance of the development and alumni office, the 75th Anniversary Fund raised more than \$15 million in three years; well above the \$12.5 million goal. Donations included the University's first two \$1 million gifts--from the Stranahan Foundation of Toledo for the Social Philosophy and Policy Center and from Harold and Helen McMaster of Perysburg for the McMaster Leadership Institute. In 1988 the Stranahan Foundation awarded a \$3 million grant to the Social Philosophy and Policy Center.

- \* Completion in 1993 of a \$1.825 million Campaign for the Arts to benefit the theatre, music, art, dance and Arts Unlimited programs.

Always changing. Always striving to improve. But never forgetting the best of the past.

That has been the key to Bowling Green State University's success in offering its students the educational opportunities, diversity and excitement of a large university, while maintaining the personality, camaraderie and caring of a small college.

This high-speed engine of learning is fueled by Bowling Green's commitment to research and teaching. That commitment has attracted top faculty scholars and graduate students. They, in turn, have put the University on the cutting edge in the discovery of exciting new knowledge.

Bowling Green has nearly 900 full- and part-time faculty and 17,000 students on its campus. Degree programs are offered through the colleges of Arts and Sciences, Business Administration, Education and Allied Professions, Health and Human Services, Musical Arts, Technology and the Graduate College. Within the undergraduate colleges are schools of Art, Mass Communication, Nursing and Health, Physical Education and Recreation.

In all, the University offers more than 165 undergraduate degree programs, 13 master's degrees in 60 fields of study and doctoral degrees in 14 departments with more than 80 specializations.

In addition to courses on the main campus, the University's Firelands College campus, located in Huron, Ohio, offers five associate degree programs, as well as courses which fulfill the first two years of a bachelor's degree requirement. Firelands enrollment tops 1,400 students.

Fully accredited at the highest state, regional and national levels, the University has chapters of most national academic honor societies, including Phi Beta Kappa and Phi Kappa Phi. Bowling Green is also a member of the National Association of State Universities and Land Grant Colleges.

The University's faculty, more than 95 percent of whom have the highest degree in their field, include Fulbright Scholars, authors and nationally known researchers. The caliber of the faculty is reflected, too, in the number of academic programs which are regionally and nationally recognized. Also, faculty have been elected to high ranking positions in several national and regional professional organizations.

Three academic departments - chemistry, philosophy and psychology - are home to Ohio Eminent Scholars. The scholar program was created by the Ohio Board of Regents to attract world-class educators and researchers to the state's universities. Only two other

**The Fine Arts Center houses all five divisions of the School of Art.**

Ohio universities - Ohio State and Cincinnati - have more of these prestigious positions than BGSU.

While committed to teaching, faculty are researchers as well, generating new knowledge through independent research and involvement in University units such as the Center for Photochemical Sciences, the Population and Society Research Center, the Mid-American Center for Contemporary Music, the Center for Quality, Measurement and Automation, the Canadian studies program, the Center for the Study of Popular Culture, and the Social Philosophy and Policy Center.

Bowling Green is also the site of the National Drosophila Species Center and the Mid-America Stock Center - the largest scientific facilities of their kind in the world - where University faculty assist in supplying some 400 species of fruit flies to scientists involved in genetics and cancer research around the globe.

The University's students come from throughout the United States and nearly 60 foreign nations. While most students are between the ages of 18-22, the number of those older than 25 is increasing. Last year, more than 4,000 "non-traditional" students enrolled in undergraduate and graduate programs on a full- or part-time basis.

The focal point of the 1,338-acre campus is the nine-story Jerome Library, with its collection of more than four million items, including 1.8 million volumes plus journals, periodicals, microforms, government documents and other materials. Special sections of the library include the

Center for Archival Collections, which houses materials relevant to northwest Ohio history, and the Sound Recording Archives with one million recordings. The Institute for Great Lakes Research, located in Perrysburg, contains an extensive collection of materials on the shipping industry's past and present.

The University is continually improving its more than 100 existing buildings and upgrading facilities to meet current needs. This fall, a \$13.5 million classroom building, Paul Olscamp Hall, was opened and dedicated. The new building features state-of-the-art telecommunications capabilities which open unlimited possibilities for classroom instruction.

Also, a \$9.5 million renovation of Epler Hall is nearing completion.

In the past two years, a \$9.8 million addition to the Fine Arts Building was completed, Hayes Hall was converted into a computer center, an \$8.7 million field house for intramurals, physical education classes and intercollegiate sports was opened, and a \$15 million renovation of Founders Quadrangle was completed, creating one of the finest and most modern residence halls in the state.

In the past dozen years, more than \$174 million has been allocated for new construction and remodeling projects.

The University has also accomplished its goal of making computers a vital part of each student's education. There are currently 20 computer labs, including one in or near every residence hall complex, for use by students. In addition, nearly a half dozen departments have created computer labs for their students.

The 1994-95 athletic year marks the beginning of new leadership in the Bowling Green State University athletic department as former University vice-president Ron Zwierlein was named the new athletic director on July 6, 1994.

Zwierlein replaced Jack Gregory, who retired in July after 12 very successful years of leading the athletic department.

Zwierlein is more familiar with the BGSU athletic department, its operation, and the people than one would expect of a person just appointed to a position. A 1968 graduate of BGSU who also has his master's from BGSU and a doctorate degree in athletic administration from Ohio State, Zwierlein has been associated with the athletic department in many different capacities over the years.

The new athletic director, the 10th in the history of the department, spent the 1993-94 academic year as the interim vice-president for student affairs. In that capacity, he oversaw all student related activities, which included residential life, financial aid, recreational sports and the health center to name just a few of the areas.

Zwierlein comes from a diversified background in athletics that includes everything from being a collegiate athlete himself, to coaching, to administration.

He returned to BGSU to head the men's and women's swimming and diving teams at BGSU in 1981 while also serving on the faculty at the university.

After three years as the head coach, during which his women's teams finished second in the Mid-American Conference all three seasons, Zwierlein accepted the position as the associate director of the Student Recreation Center on campus.

While still working as a director of the Student Recreation Center, Zwierlein was appointed to direct the planning and oversee the construction of the \$8.7 million Bowling Green University Field House in 1991.

In 1992, he accepted the position as director of recreational sports, which included supervision of all facilities, staff, programs and

**Dr. Ron Zwierlein**

financial resources associated with recreational sports. He was also responsible for the operation of the Field House.

Zwierlein was also involved in the athletic department at John Carroll University in University Heights, Ohio, near Cleveland. While at JCU, Zwierlein served as the head swimming and diving coach (1975-81) and athletic director (1977-1981). In his six seasons heading the men's swimming and diving program Zwierlein led JCU to the Presidents Athletic Conference title once while they

placed seventh in the NCAA meet in 1980-81. During his tenure as JCU's swimming and diving coach, Zwierlein helped develop 28 swimmers who earned All-America honors.

Zwierlein's collegiate swimming and diving teams combined to compile a 92-37 record while he had a career mark of 171-50, including his time spent coaching at the high school level.

During his tenure as the athletic director at JCU, he also served as chair of the physical education department, which included overseeing all aspects of both areas.

A native of Rochester, N.Y., Zwierlein earned three letters as a member of the Falcon swimming and diving team, serving as team captain in 1967-68 as a senior. Zwierlein was a diver, finishing among the top four in the one-meter event at the MAC Championships as a junior and senior.

During his undergraduate days, Zwierlein also served as BGSU mascot Freddie Falcon.

After graduation from BGSU, Zwierlein served as head swimming and diving coach at Monroe High School in his hometown and in the same capacity at Fremont (Ohio) Ross High School.

Zwierlein and his wife Cindy, a 1969 BGSU graduate, have three children, Heidi, Heather and Chad. Heidi and Heather are both students at BGSU.

Today's college athletes face many challenges. Reaching his or her potential athletically, meeting academic requirements, maintaining a well-rounded personal life, and developing a set of values that will benefit each person throughout life are all of great importance to today's young athlete.

Working with 19 intercollegiate teams and some 500 athletes I witness many athletes "in action." In action in the weight room or on the court, at the library or in the biology lab, volunteering as a tutor or working a part-time job to help pay for school--these young men and women have made a commitment to success.

During the 1993-94 academic year Falcon athletes proved themselves worthy in meeting the academic rigors they faced. This was, by most accounts, one of the best academic years in recent history. The year concluded with our annual Academic Honors Luncheon where the department honored those 62 student-athletes who achieved a 3.5 grade point average or greater. This represented a 30-person increase over the number honored just two years ago, and the highest number ever honored. Additionally, the student-athletes' overall grade point averages, graduation rates, and number of regional and national academic award winners continues to be impressive. And at the other end of the scale, the number of student-athletes who lost athletic eligibility or were suspended from the university due to academic problems was at its lowest point in recent history.

Obviously, we are proud of our stu-

dent-athletes and their individual academic successes. It makes the "package" even more impressive when you combine such great academic success with one of the best years ever for athletic achievement. Our athletes have made that dual commitment of success in the classroom and in athletic competition. Each Falcon fan can be proud of past success and truly can look to the future for continued excitement and quality academic performance.

BGSU football player Bob Dudley is joined by Ohio's Kris Parks after earning the 1993-94 Bob James Memorial Scholarships, the highest academic honor awarded by the MAC. Dudley was a two-time Academic All-American. Mike Bartley (inset) is the assistant academic coordinator.
